

HELP CREATE A COMMUNITY MURAL!

YOU can help paint a permanent mural on the retaining wall of the new Green Playces: McKeesport site!

This exciting mural project will serve as a statement of unity with all people who have been affected by violence in recent tragedies. We hope you'll join us in making this colorful, vibrant mural a reality. No artistic experience is needed! We'll guide you through the whole process and let you express your creativity.

- WHERE?** Lot at corner of Jenny Lind and Butler Streets, McKeesport (next to Trinity Church)
- WHEN?** Saturdays this fall, starting on **September 10 at 10:00 AM**. We will work for several consecutive Saturdays until the mural is finished.
- WHY?** To help beautify, revitalize and reinvigorate McKeesport AND to show unity and solidarity with all victims of violence.
- WHO?** You and other McKeesport kids, parents and anyone who loves art!
